Site Terms and Conditions of Use

Access to this site (the "Site") implies acceptance of the following terms and conditions. These terms and conditions may be updated and/or modified at any time and at its sole discretion by OLCI, without any need to give notice to users.

Access to the Site and use of its contents

No liability, of any nature whatsoever, is assumed by OLCI in connection with users' access to the Site or their use of its contents.

The material and information contained in this Site has been prepared for informational and advertising purposes only.

All contents of the Site (news, photos, videos, sounds, trademarks, logos, domain names, application software, graphic layouts, technical documentation and manuals, etc.) and related rights are reserved. Such content, therefore, may be consulted for personal information purposes only, any other use being expressly prohibited without the prior written consent of OLCI.

Although every reasonable care has been taken in collecting and presenting the information contained in this Site, no warranty is made as to its accuracy, completeness, usefulness, or possible uses by users; OLCI is expressly exempt from any liability for errors, inaccuracies, or omissions relating to said data.

Should the Site contain information or terms pertaining to future programs, estimates, forecasts, or purposes, these, by their nature, do not entail any commitment on the part of OLCI, which, therefore, does not assume in relation thereto, any responsibility for their realization.

Intellectual and Industrial Property

All the contents of the Site (including, merely by way of example, texts, images, animations, videos, logos, drawings and trademarks mentioned or reproduced herein, as well as any patents relating to the products present) are subject to copyright and other current regulations on the protection of intellectual and industrial property and it is, therefore, forbidden to reproduce, modify or use, in whole or in part, without the prior written consent of OLCI or the relevant right holders.
